NORWAY INDIA CHAMBER OF COMMERCE & INDUSTRY

ICT IN HEALTH - Exploring the Norway-India synergies

Norway India Chamber of Commerce and Industry (NICCI) and IKT-Norge proudly present the very first ICT-Health conference with an Indo-Norwegian business perspective.

The event will take place 10th June 2015 at Litteraturhuset, Oslo - Norway.

Registration at ikt-norge.no (1499 NOK)

We have just seen the beginning. Mobile health, e-journals, home-monitoring, Internet of health-things. Norway and India are both in the drivers seat, defining next-practice. We have a lot to learn from each other. We can complement each other. Let's connect in Oslo and explore the endless possibilities.

Stay tuned on www.nicci.no to be the first to know about updates and further information. We look forward to see you in Oslo.
